XTRA-Line 37

XTRA-Line 37" IoT Bartype is a monitor in widescreen format. The integrated Raspberry® Pi IoT controller with CM3+ and Raspbian operating system offers 1GB RAM and 8GB eMMC flash memory.

The monitor can be operated in portrait or landscape format and is a real eye-catcher. Thanks to its wide viewing angle from all sides, the content is perfectly readable for passers-by at all times.

With its integrated Raspberry® IoT controller, the Xtra-Line 37" IoT Bartype Monitor is the perfect fit for a wide range of applications.

XTRA-Line 37" WebPoster M3 has a self-developed website player WebPoster M3, websites can be easily displayed in kiosk mode.

The XTRA-Line 37" can either be integrated into your furniture with mounting brackets or mounted on the wall with a special wall mount.
